

Subject: Request for Support - MaajiAlert Flood Early Warning Innovation

Dear [Recipient's Name or Organization],

My name is Josphat Kimutai, an innovator from Nandi County with a strong passion for solving real-life problems.

I have recently developed a concept called MaajiAlert - a low-cost, solar-powered flood early warning system.

I am kindly requesting your support to help me build and launch a working prototype of this project, as detailed below.

Thank you for your time and consideration. I would be happy to meet or discuss the project further at your convenience.

Warm regards,

Josphat Kimutai
